# Skill Development

## SHORT GAME PACKAGE (£150)

It's often the short game where holes can be won or lost. Our Short Game Package takes place in our private bays, our Short Game Zone and on our Huxley Putting Green. We identify gaps and provide practice guidance to get your pitch, flop, chip and putting up to speed.

3 x 60 minute one-to-one sessions  
Player Profiling & v1 Video Analysis  
Short Game Analysis Skills Test  
Supervised Practice

## POWER PACKAGE (£150)

Our Power Package will help you to add power, distance and accuracy to your long game. Using V1 Video Technology and a GC2 Monitor to capture ball flight statistics, we assess every shot to identify improvements to your stance and swing.

3 x 60 minute one-to-one sessions  
Player Profiling & V1 Video Analysis  
GC2 Ball Flight Technology  
Personal Club Yardage Reference Card  
Supervised Practice

## TECH LESSON (£120)

The Tech Lesson offers an in-depth, technical analysis of the mechanics of your game.

1 x 2 hour appointment  
V1 Video Analysis  
GC2 and HMT Launch Monitor Analysis  
Club Gapping and Golf Ball Fitting  
Complimentary Refreshments
