Down Farm Lane, Headbourne Worthy, SO22 6RG

Improving your game

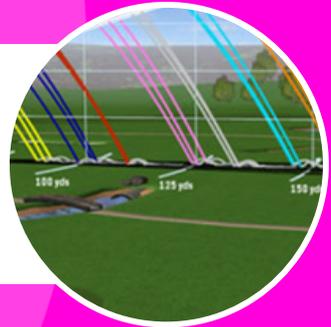

If you are new to golf or looking to get back after a break, an **Intro Coaching session** is ideal. For £25, our PGA Professionals will spend 45 minutes with you in a one-to-one session to get you started or to help you pick up where you left off.

If you would like to progress quickly, one of our **coaching packages** is the next step. Choose from a Par through to an Albatross, depending on how much time you wish to commit and how quickly you want to improve - all delivered in our private coaching bays.

Our **technical sessions** focus on specific aspects of your game, from putting and short game to improving power and distance. And a **gapping session** is invaluable to tell you how far you hit the ball with each club.

We have plenty of clubs for you to use if you don't have your own. And if you would like some advice before you commit to buying a set, a **custom fitting** will help to identify the best type of clubs to suit your height, swing speed and technique.

For more details, call us on 01962 885254
